

## Useful Links for Travel During Covid 19 Restrictions

Traveling during Covid 19 Restrictions certainly offers travelers additional steps. We will do our best to share the correct information as we understand it. The links below are ones that we use when making travel decisions.

Please note that it is the responsibility of our guests to have the required documentation for travel to and from Spain.

Reminders:

- Please review what is needed to enter the EU and Spain specifically, but don't forget to review what is needed to return to your starting destination.
- Restrictions change so it's best to check these links or your own resources on a regular basis.
- If you feel uncomfortable making your own decisions about travel restrictions due to Covid, we recommend contacting a travel agent to help you.
- It is the responsibility of each tour guest to have the correct documentation for travel.
